

Nom : _____

Les articles partitifs

In French, the **partitive article** refers to an unspecified quantity of _____, _____, or some other _____ noun.

English has no equivalent article - the partitive is usually translated by the adjectives "some" or "any," or may be left out entirely.

| masc. / singular | fem. / singular | vowel / singular | plural |
|------------------|-----------------|------------------|--------|
| | | | |
| | | | |

We are using them to talk about :

Examples :

- Mon père boit _____ café le matin.
- Aujourd'hui, il y a _____ nuages.
- Tu as _____ chance!
- Je fais _____ escalade.

When a partitive article is used in a _____ expression, _____ is used without the definite article (le, la or l').

Example :

- Elle ne mange pas _____ viande.
- Il n'y a pas _____ vent.
- Vous n'avez pas _____ force.
- Je ne joue pas _____ instruments de musique.
